<p>Credits that I received from my AP classes in high school are going to waste by me attending MTI. It's ridiculous that I spent so many nights staying up to the early morning only to be told that I can't receive credit of any kind here.</p> <p>Not only that, but the amount of 'filler' classes in the first year is absolutely ridiculous. I don't need to know how to type MLA format essays if I'm becoming a network administrator, I understand there's a minimum amount of hours needed and credits and such, but they could at pertain to my field.</p>	<p>Be sure to bring in your transcript with your AP scores to be evaluated. Some AP classes do transfer.</p>
<p>Its always really REALLY cold in all of the classes. To the point where I feel like I should bring a blanket. Is there anyway to fix this??</p>	<p>Thank you for your comment regarding the classroom temperatures. We have adjusted the cooling and heating to a level that should be more comfortable.</p>
