Student Recognition

Outstanding Graduates
The Outstanding Graduates award is an opportunity for MTI to celebrate our spectacular students! The primary purpose of this award is to celebrate and commend students whose positive attitude, strong work ethic, and professional behavior has led to their success at MTI College. Students are nominated by their instructors and/or department chair for this award. The Outstanding Graduates are announced during the graduation ceremony and receive an award of recognition and have their photo displayed in the Hall of Fame.

Excellent Attendance Award
A student who has achieved an overall attendance of 98% or higher for their entire time at MTI College are eligible for the Excellent Attendance Award and may request a certificate at the completion of his/her program. Those students are recognized at the graduation ceremony.

Perfect Attendance List
The Perfect Attendance List is posted after each term, and students are encouraged to review it. If they are not on the list and believe they have not missed any class time in the previous term, they are advised to see one of the deans' or the Student Success Coordinator to report a possible discrepancy in the record. Copies of the list are available for students to place in their portfolios.

President's and Deans' Lists
In order to appear on either of these honor roll lists, students must have completed a minimum of 12 units. Those on the President's List will have earned a GPA of 4.0, while Deans' List requires a minimum GPA of 3.5. Copies of the list are available for students to place in their portfolios.
