

## Things to Expect When You Are a New Student

**BE PATIENT WITH YOURSELF** - It takes most students at least one week, others longer, to get accustomed to learning something new.

**DON'T COMPARE YOURSELF WITH OTHERS** – Everyone learns differently. For some, it just takes a little longer to understand and process new information. Never short change your intelligence.

**FIND ANOTHER MTI STUDENT TO SHARE YOUR STUDIES WITH** – Pair up with a study buddy. It sometimes helps to have someone to share your school work with.

**ASK FOR HELP**- If you don't understand something, don't be afraid to ask. We are here to help you. If you need tutoring, we will arrange a tutor for you.

**GET PLENTY OF SLEEP AND EAT WELL** – How you treat your body will play a big part on how your brain will tolerate studying and remembering new information.

**UNDERSTAND YOUR LIFE IS GOING TO CHANGE** – Realize that things in your life are going to be different. It's all about prioritizing and reorganization. Make a list of what is really important today and what can wait.

**ASK YOUR FAMILY AND FRIENDS FOR SUPPORT** – People are generally willing to help out if you ask. Let someone make a meal for you, baby sit your child, or help you with household chores. Your family and friends know you are working on improving your life and understand that you can't do everything by yourself all of the time!

**THERE IS LIGHT AT THE END OF THE TUNNEL**- MTI College is geared to provide not only a start date but a graduation date. If you follow through with the curriculum, you will know exactly when you will be completed. Most colleges can give you a start date but few will provide an end date.

**REMEMBER TO KEEP YOUR EYE ON THE PRIZE** – Life happens and with that comes good days and unfortunately bad days. When things get tough and you feel like quitting, remember why you are here and what you want in your life. We are here to help you keep the momentum going and to support and guide you towards your goal of graduation.

**A NEW CAREER AWAITS YOU** – Feel the excitement of what a new career will bring you. Do you want to buy a new car or a brand new wardrobe, what about a house or new things for your children? MTI offers lifetime career assistance! Think of all the wonderful things that a new career can bring to you.
