

Campus Expectations for Graduates & Visitors

MTI College is proud of its past graduates and considers them a part of the MTI Community long after they leave the college. The college is happy to assist graduates and welcomes them on campus to take advantage of services that extend beyond their time as students, such as assistance offered through Career Services and select refresher courses available to graduates.

Out of consideration for current students, the following expectations have been established for graduates and other visitors while on the MTI campus.

Graduates and visitors are asked to:

- Check in with the receptionist at the front desk upon arrival.
- Refrain from loitering or participating in on-campus activities unless invited by an MTI employee.
- Refrain from entering the classrooms and labs, or using equipment or other resources unless pre-arranged with an MTI employee.
- Limit visits to the purpose at hand.
- Be respectful of current students and MTI employees at all times.

The college reserves the right to ask any graduate or visitor who fails to cooperate with the preceding expectations to leave the premises.
