

## Testing Accommodations - Pearson VUE Testing Center

MTI College and Pearson VUE aim to support all test candidates with appropriate accommodations for any student possessing a documented disability. The Pearson VUE testing center relies on a controlled environment. MTI College has no direct ability to change testing settings. Any requests for accommodation must be made to Pearson VUE by the candidate/student before scheduling a test. It is the student's responsibility to complete all accommodation requests before sitting for a test.

Students can apply for test accommodations at: <http://pearsonvue.com/accommodations>

- Accommodation information about CCBMA exams:  
Pearson VUE directs students to the California Certifying Board for Medical Assistants (CCBMA) (<http://www.ccbma.org/>) for information about requesting test accommodations.

For questions or additional information, please contact Pearson VUE American Disability Association (ADA) Accommodations at (800)-466-0450.

Once Pearson VUE has approved an accommodation, the candidate/student is welcome to schedule the exam at the Learning Resource Center (LRC) at [Irc@mticollege.edu](mailto:Irc@mticollege.edu) or (916) 339-4370.

The student will be asked to provide written confirmation of the accommodation.
